

Information Security Policy (ISO/IEC 27001:2022)

Information Security Policy Statement

Cyberintelsys Consulting Services Pte Ltd recognizes that information is a valuable business asset and is committed to protecting the confidentiality, integrity, and availability of its information and client data.

To achieve this, the organization is committed to:

- Protecting the confidentiality, integrity, and availability (CIA) of organizational and client information
- Implementing a structured risk-based approach to information security.
- Complying with applicable statutory, regulatory, and contractual requirements.
- Establishing an incident response process to identify, report, and respond to information security events promptly.
- Promoting information security awareness, training, and engagement among all employees.
- Continually reviewing and improving the effectiveness of the Information Security Management System (ISMS) and its controls.

For CYBERINTELSYS CONSULTING SERVICES PTE LTD.

A handwritten signature in blue ink, appearing to read 'T Sudhir Babu', is written over a light blue horizontal line.

T Sudhir Babu
